Define Problem Statements (Customer Problem Statement Template):

College students need an efficient way to learn, revise, and assess their understanding because traditional study methods are time-consuming, unorganized, and do not provide personalized support, which makes them feel stressed, overwhelmed, and underprepared for exams.

Example:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A college student preparing for exams.	Understand and revise large amounts of study material quickly.	I have limited time and too many notes to read.	Manual revision is time-consuming and difficult.	Stressed and overwhelmed

PS-2	A student studying multiple subjects.	Create quizzes to test my understanding.	I don't have enough practice questions.	Preparing questions manually takes a lot of effort.	Unprepared for exams.
PS-3	A student who forgets important concepts easily.	Revise concepts effectively before exams.	I cannot remember all the key points from my notes.	Traditional note-taking does not support active recall.	Anxious about my performance.
PS-4	A student who forgets important concepts easily.	Organize my study schedule efficiently.	I struggle to plan what and when to study.	I have multiple subjects and deadlines.	Confused and stressed.
PS-5	A student seeking personalized	Get quick answers to my doubts while	Teachers and friends may not always be	Immediate assistance is difficult to	Frustrated and stuck in my learning
